

QUICKY DRAW

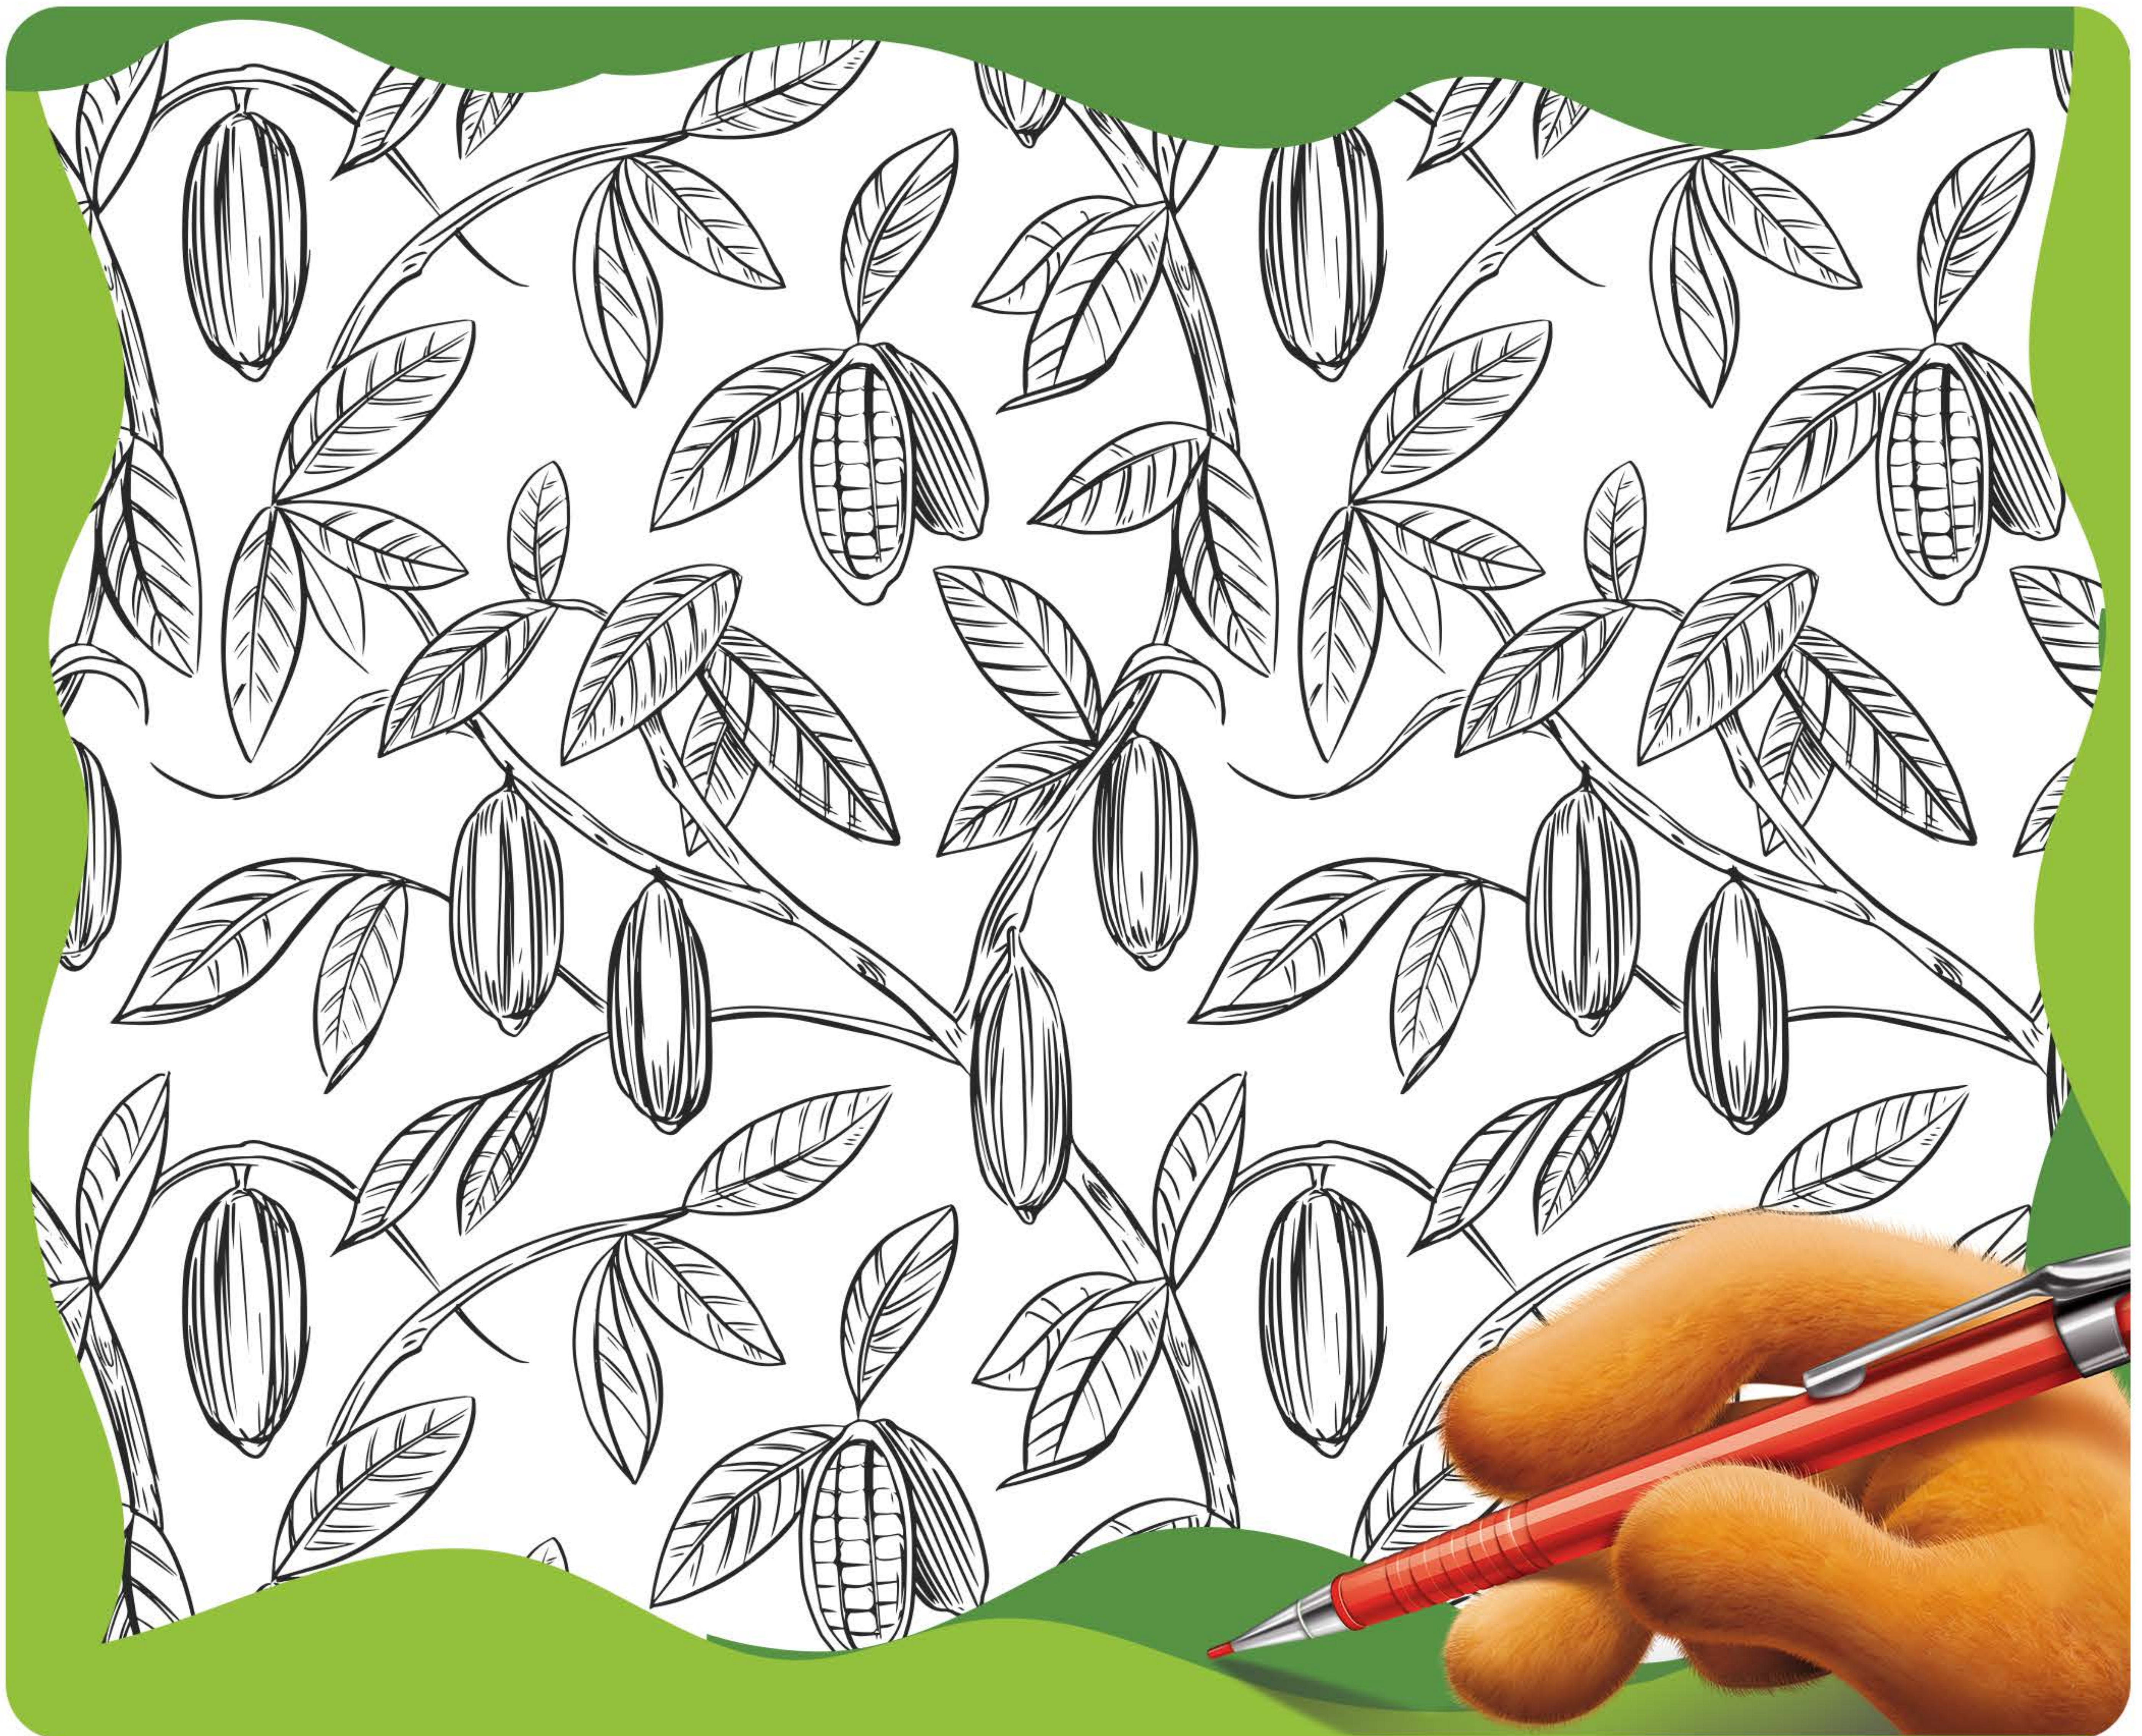

Can you help Quicky color in the image?
Download the page below and bring this page to life with your favorite colors.

50 minutes

Medium

Read the instructions and then... start painting!

STEP 1 - Get your favorite colors ready: pencils, pens, markers, crayons... anything! Just make sure to have a lot of colors.

STEP 2 - Color in the image. Let your imagination run wild!

STEP 3 - When you're done, make sure to put it up on your room or the fridge so everybody can see your wonderful piece of art.
